

WDC Session Classes

We are excited to welcome students to our session classes. For a list of shoes needed for your dancer's class please go to our website's Session Classes Page.

- Shoes, dancewear and dance bags are available to purchase at Woodbury Dance Center.
- For session classes we do not require shoes to be a specific color.
- Dancers may wear any type of dancewear including leotards, tights, dance skirts, tutus, dance shorts, legwarmers, etc... They are not required to wear a specific color or style.
- We recommend that dancers who use more than one type of shoe for class have a dance bag to carry their shoes into class with them.
- We also recommend that all of their shoes and dancewear are labeled with their name to avoid mix ups in the classroom or lobby.

Please let us know if you have any questions. Below is some additional information about our studio. We look forward to seeing you in class!

Observing Class:

Family and friends are welcome to observe class through our viewing windows (located in every classroom). Please rotate at viewing window so everyone has the opportunity to watch class. Dancers coming to class late should enter when music is not playing as to not distract other students. Teachers and assistants will assist students with changing shoes, etc- please refrain from entering the classroom as to not disturb the class. Teachers or assistants will come to get a parent if your child has to use the bathroom, etc.

Younger Dancers:

Often, dance class is the first structured class your child may be participating in. We love embracing this fun, new opportunity with them! Our goal is to make dancers feel comfortable and confident staying in the classroom without mom or dad. Our teachers are highly experienced with little dancers and will help you make transitions as easy as possible. Let us know if we can help in any specific way to make your dancer's experience positive.

Restrooms:

Please encourage your dancer to use the restroom before class to avoid having to leave during class time. Restrooms are located by rooms two and three. Diaper changing facilities are available as well.

Boutique:

Feel free to shop our on-site Boutique for all of your dancewear needs! We carry all shoes required for classes, as well as dancewear, tights, WDC apparel, gift items, and more. Look for new items arriving continuously throughout the year.

Front Desk:

Feel free to ask questions and retrieve information from the staff at the Front Desk. They are they to help you in your dance experience.

Free WiFi / Facebook:

We provide free wireless internet for WDC customers! Simply choose "dance4" as the network and the password "wdcdance" when accessing the internet. And don't forget to 'Like' Woodbury Dance Center on Facebook to see photos, updates, contests, and more.

Siblings & Friends:

Siblings and friends are welcome at WDC! We have coloring supplies located near the Front Desk and a TV with children's movies. Please encourage your children to walk in the lobby for their safety.

Special Needs, Allergies, etc:

If your dancer has any special needs, allergies, etc that their teacher should be aware of, please let them know. You can write them a brief note or talk with them before or after class. Let us know if there is any way we can better help your students in class!
