YDE gives scholarships for dance, but it is also possible to fundraise for other kids' activities and education too. That is why we changed the name of the group to include more than just dance. After participating in a fundraiser, we will send scholarships to the various organizations (dance, sports, education, etc). Once you become a YDE Participant, we will contact you with scholarship information and how you can request scholarships.

We wish you the best as you fundraise this year!
