WDC POLICIES AND PROCEDURES

Please take a minute to read through this email to familiarize yourself/your dancer with our current procedures. Updates will be posted/sent during the season if needed.

- 1. Dancers under the age of 12 and all unvaccinated individuals are STRONGLY encouraged to wear a mask during class in accordance with CDC/MDH guidelines.
- 2. Tots/Preschool/Kindergarten dancers may have **one parent** remain in the lobby as needed. We ask that parents of older dancers wait in their vehicle or drop off and return to pick up their dancer at the end of their class.
- 3. Parents must conduct their own health assessment of their dancer prior to arriving at WDC. Dancers may not enter the facility if they are exhibiting any symptoms of COVID-19 or other illness.
- 4. Should your dancer or anyone in your household test positive for COVID-19, please notify WDC. Your dancer should discontinue participation until cleared by a doctor or if your dancer meets the current CDC guidelines for resuming activities after their diagnosis.
- 5. Dancers should plan to arrive to the studio in dance clothes and are encouraged to wear a cover-up to and from the build as desired. Recreational dancers should plan to bring a dance bag with their dance shoes and water bottle.
- 6. Dancers should plan to sanitize/wash their hands upon entering the building.
- 7. The lost and found will be limited. We encourage dancers to bring minimal items to the studio. Items such as water bottles and food containers left at the studio will be thrown immediately. Please mark all dancewear, shoes, and personal items with your child's name.
- 8. If parents have any questions with which they need staff assistance, they are encouraged to call the studio at (651) 735-9252 or email the studio at buffy@woodburydance.com or kathy@woodburydance.com.

Thank you for your continued patience and understanding through these changes. We appreciate everyone's commitment to safety, and we can't wait to see you in class!
